

What else you need:

- Printed A4 templates (print at 100% – do not scale)
- Scalpel + scissors
- Metal ruler
- 1 x packet 12 titanium-strength gelatine sheets
- Baking paper + 2 baking trays
- LED lights to decorate (ours were from Kmart)
- Mini Xmas tree ornaments + Blu Tack for bases
- Large base/board (we used a marble platter)
- Two sets of hands, or cans to lean sides on

We used: Chef's Choice Gelatine
Leaf Sheets Titanium, 40g (12 sheets)
from amazon.com.au

7cm wide x 23cm long

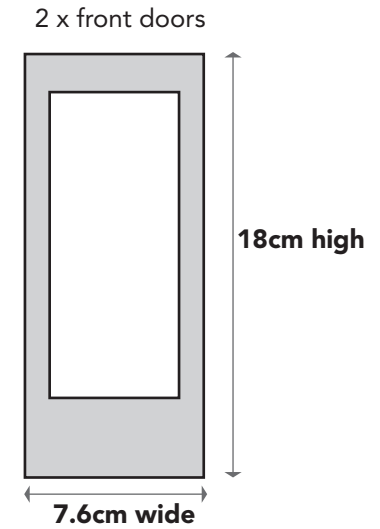

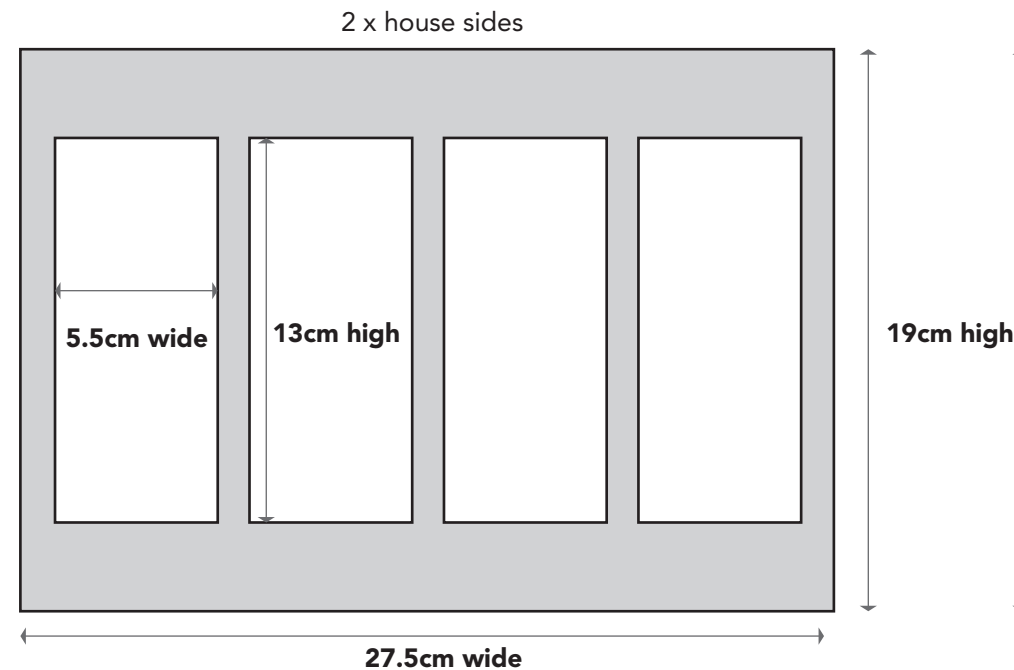

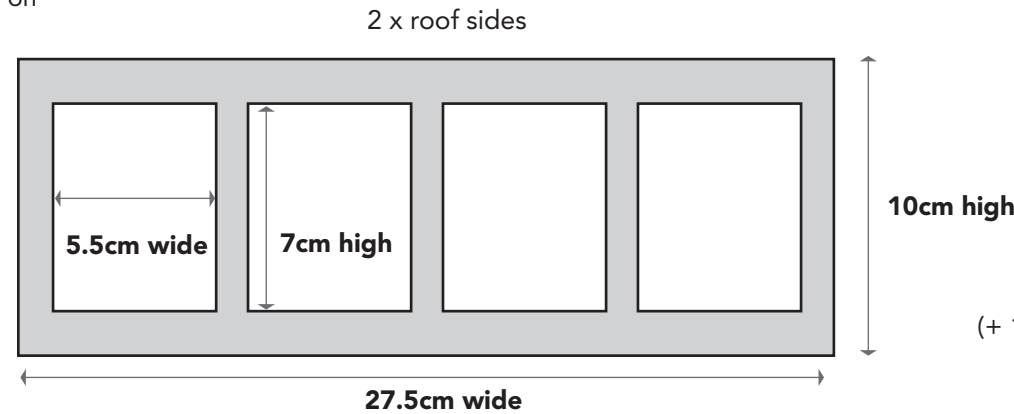

**Cut 8 sheets at 15cm
to get two window parts
(for roof + side panels)**

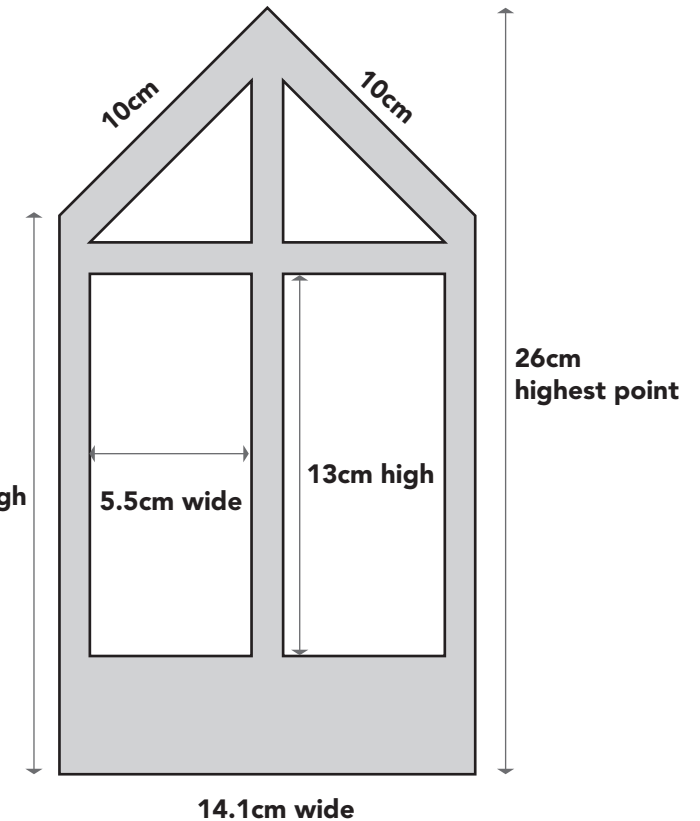

**Keep 2 sheets full length for back
windows + trim corners off to fit
the top windows**

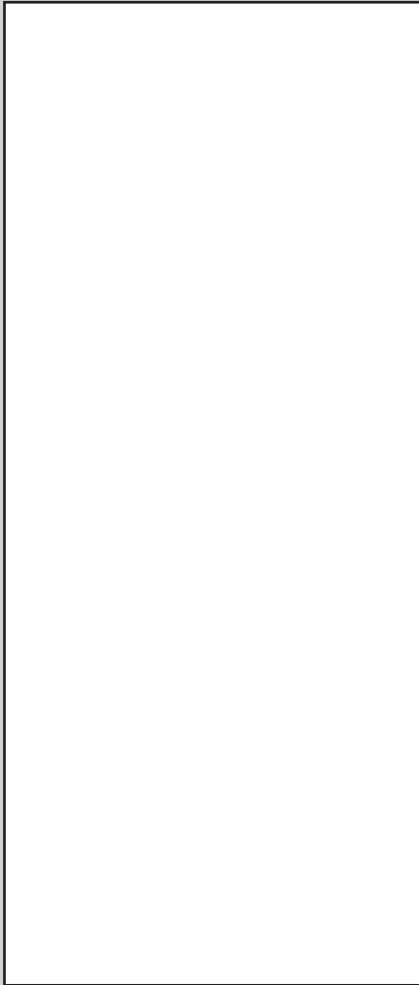

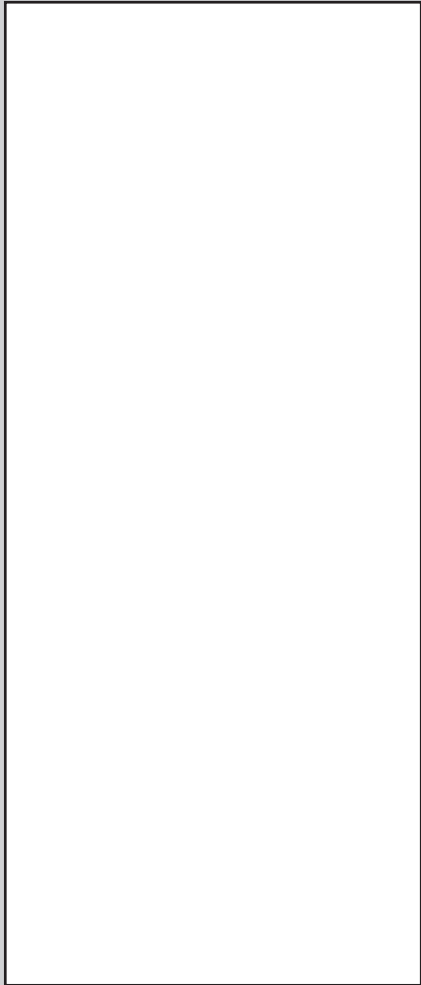

**Cut 2 sheets at 15cm for front
doors + trim the top parts to
triangles for top front windows**

Measurements Overview

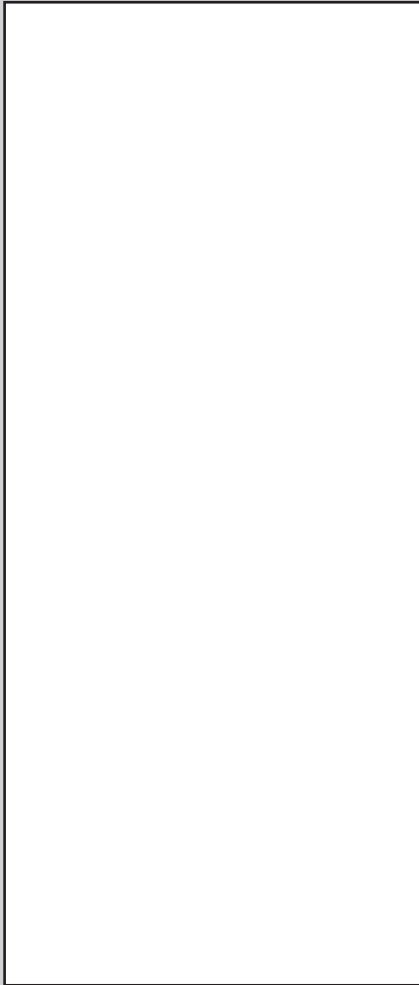

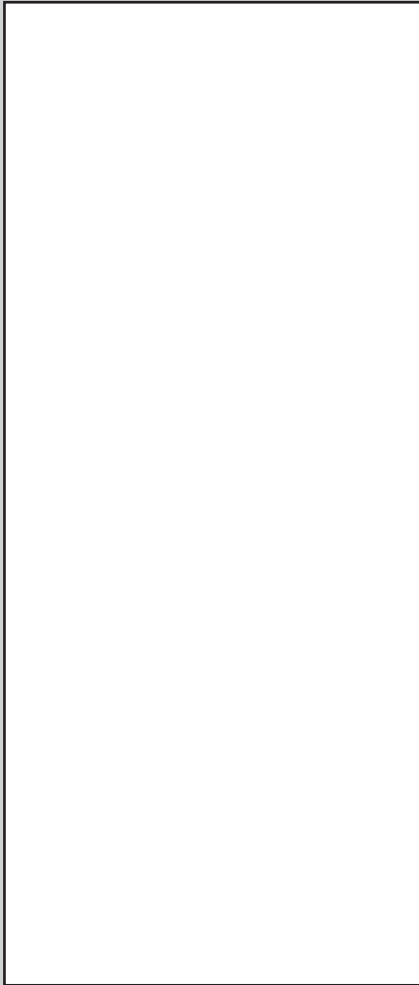

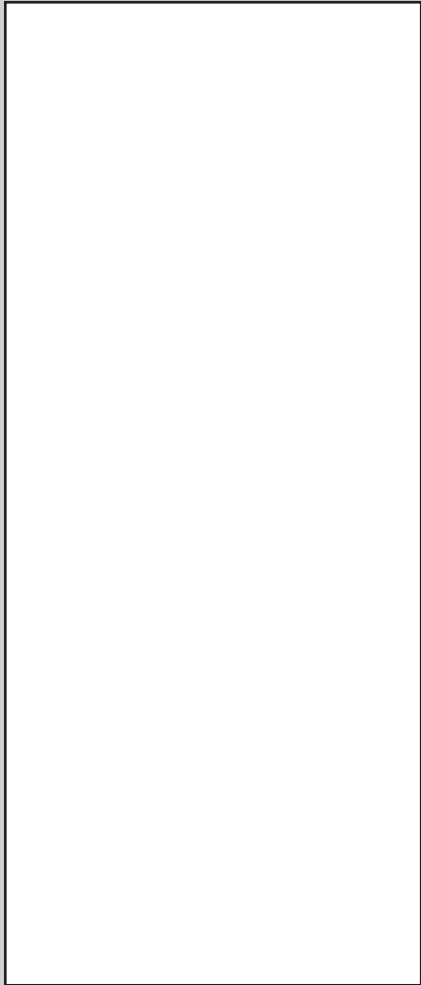

1 x back side
(+ 1 x front side similar to this, not pictured here)
